**SUBJECT: CONDITIONAL USE PERMIT NO. 09-017 / ENTITLEMENT PLAN
 AMENDMENT NO. 09-005 (AMENDMENT TO CONDITIONAL USE PERMIT
 NO. 93-6 – COACH’S RESTAURANT EXPANSION)**

APPLICANT: Jeff Bergsma, Team Design, 221 Main Street ‘S’, Huntington Beach, CA 92648

BUSINESS

OWNER: Murat Koc, 200 Main Street, Suite 105, Huntington Beach, CA 92648

PROPERTY

OWNER: Robert Koury, 200 Main Street, Suite 206, Huntington Beach, CA 92648

LOCATION: 200 Main Street, Suite 105, 92648 (east side of Main Street, between Olive Avenue and Walnut Avenue – Downtown)

PROJECT REQUEST AND SPECIAL CONSIDERATIONS

The proposed project is a request to permit the expansion of an existing restaurant with alcohol sales by occupying approximately 400 sq. ft. of the adjacent existing retail suite; to permit live entertainment including belly dancing performances and live music; and to participate in the Downtown Parking In-Lieu Fee Program for two parking spaces. This project also includes an amendment to Condition No. 2 of Conditional Use Permit No. 93-6 which currently permits the hours of operation between 11:00 AM to 10:00 PM, Sunday – Thursday and 11:00 AM to 12:00 (midnight) Friday and Saturday. The applicant proposes hours of operation between 10:00 AM to 2:00 AM everyday.

The subject suite is located within the Main Promenade building, a mixed use development consisting of commercial and parking facilities. The existing restaurant is located within Suite 105. The project proposes to expand into the adjacent rear half of Suite 103. Tenant improvements include: relocation and enlargement of the grill line, dry storage area, full-license bar, restrooms, and additional booth-seating. Live entertainment is proposed between 10:00 AM and 2:00 AM daily consisting of amplified and non-amplified music along with belly dancing performances. No dance floor is proposed. The remaining portion of Suite 103 would remain retail and no exterior improvements are proposed

The 400 sq. ft. restaurant expansion requires a total of four on-site parking spaces. The previous retail use of the area to be expanded is credited with two parking spaces which may be applied towards the restaurant’s on-site parking requirement. The remaining two required parking spaces cannot be provided on-site therefore, the applicant requests participation in the Downtown Parking In-Lieu Fee Program. The applicant would be required to show evidence of a City agreement assuring in-lieu fee participation. The

fee per space, which is established by City Council Resolution, shall be paid by the property owner or tenant and may be in a lump sum payment or paid on an annual basis for up to fifteen years and secured by a mechanism established in the conditions of approval.

CURRENT LAND USE, HISTORY OF SITE, ZONING AND GENERAL PLAN DESIGNATIONS

LOCATION	GENERAL PLAN	ZONING	LAND USE
Subject Property:	MV-F6/25-sp-pd (Mixed Use Vertical – 2.0 Max. Floor Area Ratio/ 25 Dwelling Units per Acre – Specific Plan Overlay – Pedestrian Overlay)	SP-5 (Downtown Specific Plan District 5/Coastal Zone)	Commercial Uses/Parking Facility

East of Subject Property (across 3 rd Street):	MV-F6/25-sp-pd	SP-5	Commercial/Residential
South of Subject Property (across Walnut Avenue):	MV-F6/25-sp-pd	SP-5	Commercial
West of Subject Property (across Main Street):	MV-F6/25-sp-pd	SP-5	Commercial

The City approved Conditional Use Permit No. 88-34 and Coastal Development Permit No. 88-27 to permit a 32,073 sq. ft. commercial building integrated with a 5-level parking structure (Main Promenade) on October 18, 1988. In addition, prior City actions for Suite 105 include: Conditional Use Permit No. 93-06 to permit beer & wine approved on June 1, 1993; Conditional Use Permit No. 96-14 and Coastal Development Permit No. 96-10 to permit outdoor dining on public property approved on May 10, 1996; and Conditional Use Permit No. 00-21 to permit alcohol within the outdoor dining area approved on June 22, 2000.

The existing restaurant was originally issued an Entertainment Permit by the Police Department in 2001 to allow amplified and non-amplified music, a maximum of two musicians and one belly dancer. The permit has been renewed annually since original issuance. Activities approved by this permit are classified as live entertainment uses which requires approval of a conditional use permit (CUP). During staff's research, it was determined that a conditional use permit for live entertainment was never applied for nor approved for this location. Consequently, the applicant has requested that live entertainment be included in this application to allow for the necessary review of this use in an effort to remedy this discrepancy.

10. All areas where the sales, service, and consumption of alcoholic beverages will be permitted shall be sufficiently illuminated to permit the identification of patrons.
11. Alcoholic beverages shall be served in a distinctive container different from non-alcoholic beverages.

Planning staff concurs with the Police Department's suggested conditions of approval. The applicant has reviewed the suggested conditions of approval and concurs with staff's recommendations.

PUBLIC MEETINGS, COMMENTS AND CONCERNS

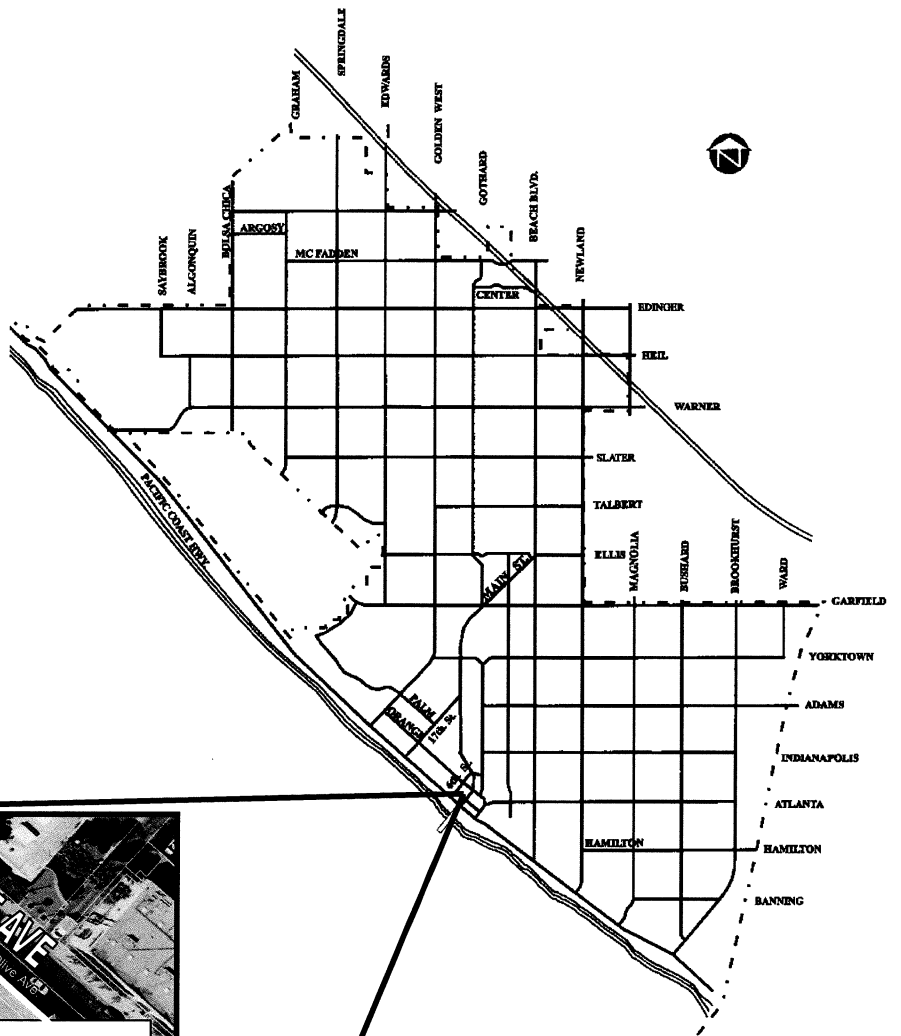

There have been no public meetings regarding this request. To date, there have been no comments from the public regarding this request.

PLANNING ISSUES

The primary issues with the proposed restaurant expansion are related to compliance with the on-site parking requirements, potential land use adjustments and determination that adequate parking is provided in compliance with the Downtown Parking Master Plan and participation in the In-Lieu Fee Parking Program. In addition, the issue of land use compatibility and compliance with the Downtown Specific Plan are identified and include live entertainment, the expansion of the restaurant and the sale and consumption of alcoholic beverages. In general, the proposed entitlements are consistent with scope and intent of the development in the downtown and supported by the General Plan and the Downtown Specific Plan including the Downtown Parking Master Plan.

REQUEST: To permit the on-site sale of beer and wine at TNT Surf Taco Restaurant.

LOCATION: 200 Main Street, #105 (Main Promenade)

**DATE OF
APPROVAL:** June 1, 1993

FINDINGS FOR APPROVAL - CONDITIONAL USE PERMIT NO. 93-6:

1. The proposed on-site sale of beer and wine at TNT Surf Taco is in conformance with the City of Huntington Beach General Land Use designation of Mixed Use-Commercial/Office/Residential which permits the sale of alcoholic beverages in conjunction with a standard commercial use (restaurant).
2. The location, site layout, and design of the proposed use adapts the existing structures to streets, driveways, and other adjacent structures and uses in a harmonious manner. The project is located in a primarily commercial area and the proposed use will not adversely impact other surrounding properties.
3. The combination and relationship of one proposed use to another on a site are properly integrated. The other businesses in the same building and in the vicinity are general retail commercial and restaurant uses which are compatible with the proposed use.
4. The access to and parking for the restaurant with the on-site sale of beer and wine does not create an undue traffic problem. No additional parking is required with the addition of alcohol sales as a compliment to the existing menu and use.
